Dear Host Family:

## WELCOME to the Georgia Rotary Student Program!

The Trustees of GRSP sincerely hope your participation in this program will be one of the most meaningful and exciting Rotary experiences you will ever have.

This Handbook has been compiled to inform you about the Georgia Rotary Student program, its function, and especially what is expected of you as host. Please take time to read this important information and refer to it often. If you have any questions, please contact your Trustee or the GRSP Home Office in Savannah.

The upcoming year is a wonderful opportunity for you and your Rotary club to experience the advancement of international understanding, goodwill and peace through fellowship. As a host family, your on-going involvement with your student is the most important “home away from home” experience the student will have. Your actions, attitudes and contestant involvement will have a lasting impact on the student’s impressions of our American lifestyle.

**THANK YOU** for opening your home and “hearts” and for providing hospitality to these outstanding young people.

Yours in Rotary,

**James L. Drake, Jr.**  
Chair, GRSP
