*TOEFL and SAT Reading and Writing are typically required for international students. The SAT Math scores listed are those required for other admit types. The University System of Georgia (USG) will continue the temporary waiver of test score requirements for Academic Year 2023-2024 (Fall 2023, Spring 2024, Summer 2024) admission at 24 of the 26 USG institutions. The temporary waiver does not apply to the Georgia Institute of Technology and the University of Georgia. For Academic Year 2023-2024, the remaining institutions have two options to make admission decisions: Freshman index: Includes high school grade point average and test scores for either the SAT or ACT. Test Optional: Use the high school grade point average on the required high school curriculum without a standardized test score at the following minimum grade point averages: 3.4 for research universities, 3.2 for comprehensive universities and Georgia College and State University, and 3.0 for state universities. State colleges continue to be test optional in accordance with Board policy.
